In chapters that range from solo drivers, families in trucking, and whole customized fleets to the finest nitty-gritty and cutting-edge elements of semi truck customization, this book offers a close-up look at examples of custom semis. Includes before-and-after photos of re-customized trucks; motifs in graphics and design.

A truck driver's tractor-trailer is more than just a vehicle or a tool for making a living. It is a calling card, a personal statement, a way of life. Truckers take as much joy and pride in modifying their rigs as hot-rodders and car customizers. Bette Garber present some two dozen

of the most interesting and creative custom trucks to be seen on the roads today. Each feature tells the story of the men and women who modify and drive these trucks, including the tricks of the trade. All are featured in full-color photography that highlights the flash, incredible detail, and personal touches of custom semi trucks. The book also provides an overview of the truck-show scene and what makes for an award-winning rig.
