"But gold is up to nine hundred dollars an ounce" is the refrain of Talia Macleod, the popular Alaskan skiing champ the company has hired to improve their relations with Alaskans and pave the way for the mine's expansion. And she promises much-needed jobs to the locals. But before she can make her way to every village in the area to present her case at town meetings and village breakfasts, there are two brutal murders, including that of a long-standing mine opponent. Thirty-one years ago in Anchorage, Alaska, Victoria Pilz Bannister Muravieff was convicted of murdering her seventeen-year-old son William. The jury returned a quick verdict of guilty, believing the prosecutor's claims that she had set fire to her own home with both her sons inside; William died and the other, Oliver, narrowly escaped. Victoria was sentenced to life in prison without parole, and though she

pled not guilty at the trial, she never again denied her guilt. Now her daughter, Charlotte Muravieff, has hired Kate Shugak to clear her mother's name. Her daughter has always believed in her innocence, and now that Victoria has been diagnosed with terminal cancer, Charlotte wants her free. Kate is the only p.i. Charlotte can find who's willing to take such a long-shot case. Kate, on the other hand, is only willing because she's suddenly a single parent to a teenager, a teenager she hopes will decide to go to college. Besides, it can't be bad to do a favor for the Bannister family, one of the wealthiest and most prominent families in Alaska's short history. As Kate begins an investigation, Victoria protests, refusing to cooperate. But soon it seems she isn't the only one who wants to leave the past in the past. In this spell-

In *Singing of the Dead*, the next installment in Dana Stabenow's acclaimed crime series, Kate Shugak hires onto the staff of a political campaign to work security for a Native woman running for state senator. The candidate has been receiving anonymous threats, and Kate, who went to college with two of the staffers, is to become her shadow, watching the crowds at rallies and fundraisers. But just as she's getting started the campaign is rocked by the murder of their staff researcher, who, Kate discovers, was in possession of some

In order to track the killer, Kate will have to delve into the past, in particular the grisly murder of a "good-time girl" during the Klondike Gold Rush in 1915. Little can she guess the impact a ninety-year-old unsolved case could have on a modern-day psychotic killer.

Edgar Award winner Dana Stabenow has written nine atmospheric crime novels featuring the very prickly, very human Kate Shugak, but her novels also have a scene-stealing costar: Alaska, unforgiving, breathtaking, dangerous, and beautiful. Stabenow's evocation of this wilderness, combined with her talent for bringing characters to life and creating knuckle-whitening suspense, has made her "one of

Alaska State Trooper Jim Chopin, Kate's best friend, needs her to help him work a new case. He discovers her hiding out in Bering, a small fishing village on Alaska's western coast, living and working under an assumed name-- working hard, as eighteen-hour workdays seem to be her only justification for getting up in the morning.
