My Amazon review:

Books on multiple personality disorder are

not, as a rule, very well written and A Fractured Mind is no exception to this. It is unfortunate, however, that where those other books made up for literary lapses by being incredibly emotional, open, and intriguing, A Fractured Mind falls more than short.

Being a messy fuck-up is not rock ' n ' roll. It is pain and suffering.

Sleepless nights are not necessarily a bad thing for me. They could actually be a sign of hypomania, and that can at least in the short term mean some amounts of fun.

Discussed by Robert

B. Oxman

There are many similarities with my normal mind and the multiple personalities portrayed by the fractured mind in this book. This book caused much rethinking of myself, who I am, which changes depending on circumstances. French writer Montagne is supposed to have said a person is wavelike and
