Colleen Coble writes interesting and moving romantic suspense. However, Alaska Twilight doesn't really seem to flow cohesively. There are too many storylines all trying to battle for the forefront: Kipp versus Tank with the bear issue, Tank's loss of his wife and custody battle, Haley's past tragedy, and her parents' possible murders.

From behind her camera, Haley observes it all, including Tank Lassiter, the wildlife biologist who has been forced to lead Kipp and his team into the Alaskan backcountry. As she watches him with his work, she feels a growing attraction. It will take great courage and faith to confront the truth she once ran away from.
