Synopsis The bestselling Brightness Falls—now in trade paper from the author of Bright Lights, Big City. In the story of Russell and Corrine Calloway, set against the world of New York publishing, McInerney provides a stunningly accomplished portrayal of people contending with early success, then getting lost in the middle of their lives.

Jay McInerney :Brightness Falls

Brightness Falls is a great American novel, which owes a great deal to F. Scott Fitzgerald and his Gatsby. At times, it seems as if McInerney wants to re-tell the Gatsby tale on Wall Street during the Crash of '87. McInerney's Nick Carraway is, after all, Crash Galloway.

Brightness Falls (The Calloway Trilogy, #1) by Jay McInerney Jay McInerney was a decent novelist before he began his Calloway trilogy, capturing some of the quirky characters of '80s Manhattan in a satisfactory way, but 'Brightness Falls' is where he really turned into a chronicler of the city's saga in the way of his idols like Fitzgerald.

The best-selling Brightness Falls - from the author of Bright Lights, Big City. In the story of Russell and Corrine Calloway, set against the world of New York publishing, McInerney provides a stunningly accomplished portrayal of people contending with early success, then getting lost in the middle of their lives.

Corrine Calloway is a young stockbroker on Wall Street, her husband Russell an underpaid but ambitious publishing editor. The happily married couple head into New York's 1980s gold rush where prospects and money seem to be flying everywhere, and the best and the brightest vie with the worst and most craven for riches, fame and the love of beautiful people. But the Calloways soon find out that what goes up must come crashing down, both on Wall Street and at home. Brightness Falls captures lives-in-the-making: men and women confronting their sudden middle-age with wit and low behaviour, fear and confusion, and, just occasionally, a little honesty and decency.

Combining the lyrical observation of F. Scott Fitzgerald with

Where To Download Brightness Falls Jay McInerney

the laser-bright social satire of Evelyn Waugh, Jay McInerney gives us a novel that is stunningly accomplished and profoundly affecting. As he maps the fault lines spreading through the once-impenetrable marriage of Russell and Corrine Calloway and chronicles Russell's wildly ambitious scheme to seize control of the publishing house at which he works, Jay McInerney creates an elegy for New York in the 1980s. From the literary chimeras and corporate raiders to those dispossessed by the pandemonium of money and power, *Brightness Falls* captures a rash era at its moment of reckoning and gives reality back to a time that now seems decidedly unreal.

From the best-selling author of *Bright Lights, Big City*: a sexy, vibrant, cross-generational New York story--a literary and commercial triumph of the highest order. Even decades after their arrival, Corrine and Russell Calloway still feel as if they 're living the dream that drew them to New York City in the first place: book parties or art openings one night and high-society events the next; jobs they care about (and in fact love); twin children whose birth was truly miraculous; a loft in TriBeCa and summers in the Hamptons. But all of this comes at a fiendish cost. Russell, an independent publisher, has superb cultural credentials yet minimal cash flow; as he navigates a business that requires, beyond astute literary judgment, constant financial improvisation, he encounters an audacious, potentially game-changing—or ruinous—opportunity. Meanwhile, instead of chasing personal gain in this incredibly wealthy city, Corrine devotes herself to helping feed its hungry poor, and she and her husband soon discover they 're being priced out of the newly fashionable neighborhood they 've called home for most of their adult lives, with their son and daughter caught in the balance. Then Corrine 's world is turned upside down

Where To Download Brightness Falls Jay Mcinerney

when the man with whom she ' d had an ill-fated affair in the wake of 9/11 suddenly reappears. As the novel unfolds across a period of stupendous change—including Obama ' s historic election and the global economic collapse he inherited—the Calloways will find themselves and their marriage tested more severely than they ever could have imagined.

In this bestselling novel, the author of Bright Lights, Big City unveils a story of love, family, conflicting desires, and catastrophic loss in a powerfully searing work of fiction. Clinging to a semiprecarious existence in TriBeCa, Corrine and Russell Calloway have survived a separation and are wonderstruck by young twins whose provenance is nothing less than miraculous. Several miles uptown and perched near the top of the Upper East Side ' s social register, Luke McGavock has postponed his accumulation of wealth in an attempt to recover the sense of purpose now lacking in a life that often gives him pause. But on a September morning, brightness falls horribly from the sky, and people worlds apart suddenly find themselves working side by side at the devastated site. Wise, surprising, and, ultimately, heart-stoppingly redemptive, *The Good Life* captures lives that allow us to see—through personal, social, and moral complexity—more clearly into the heart of things.

It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with

Where To Download Brightness Falls Jay McInerney

current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life right? But in a world of no consequences, Alison is heading for a meltdown.

From the bestselling author of Bright Lights, Big City and Brightness Falls comes a chronicle of a generation, as enacted by two men who represent all the passions and extremes of the class of 1969. Patrick Keane and Will Savage meet at prep school at the beginning of the explosive '60s. Over the next 30 years, they remain friends even as they pursue radically divergent destinies--and harbor secrets that defy rebellion and conformity.

Discover a world of sex, excess and urban paranoia where worlds collide, relationships fragment and the dark underbelly of the American dream is exposed. A transsexual prostitute accidentally propositions his own father. A senator's serial infidelities leave him in hot water. And two young lovers spend Christmas together high on different drugs. McInerney's characters struggle together in a shifting world where old certainties dissolve and nobody can be sure of where they stand.

Celebrity journalist Connor McKnight is forced to confront a suddenly remote, longtime girlfriend, anxieties about his life and career, and confusion over his future.

Chronicles the lives of diverse characters--including Luke McGavock, a man searching for a sense of purpose in life; Corrine Calloway, a mother of twins; and her husband, Russell--whose world is transformed by the catastrophic events of September 11th, 2001.

Where To Download Brightness Falls Jay McInerney

In true McInerney style, this new collection of stories examines post 9/11 America in all its dark and morally complex glory. His characters include a young woman holed up in a remote cabin while her (married) boyfriend campaigns for the highest of all offices, a couple whose sexual experiments cross every line imaginable, a young socialite called home to nurse her mother and an older one scheming for her next husband. From the streets of downtown New York during the 2003 anti-war march and the lavish hotel rooms of the wealthy social elite, to a husband and wife who share a marital bed with a pot-bellied pig, the people in these stories search for meaning while struggling against each other, colliding as the old world around them fractures and dissolves into a modern era full of new uncertainties, where ghosts of loss hang in the air. McInerney's writing has crackling humour and a feverish, clear-sighted brilliance that perfectly underpins the lives of people living in modern America. These stories are deftly constructed, subtle, insightful and heartbreaking. Steeped in history but yet alive in the present - this new collection is a companion to the sweet madness of life
