que sea ella quien haga la cena de Navidad sin ayuda de nadie más. ¿Estará pensando servirles hierbas variadas e invitarlos a masticar hielo o en una cena típica hecha por alguien que no tiene ni idea de cocina? Mientras tanto, el amor sigue forjándose entre Jennifer y Alex, que además tienen un importante anuncio que hacer. Y Lisa y Tank, que aún no han pasado a mayores en su relación, se quedan en habitaciones separadas. Pero, con el deseo escalando entre los dos, la cuestión es por cuánto tiempo dormirán solos en sus respectivas camas dobles. ¡Romance, amor, sexo y risas asegurados!

RECENTLY OPTIONED BY HOLLYWOOD TO BE A MAJOR MOTION PICTURE! The series with more than two million books sold! DESCRIPTION: The business of love is dangerous. For Jennifer Kent, a recent MBA graduate who has been searching for work in Manhattan for four long months, time and money are running out. If she doesn't find work soon, she'll need to return to her native Maine, where the job situation is even more bleak. And where her abusive parents lie in wait. But when an unorthodox arrangement is proposed, Jennifer decides to take it. She agrees to be the "girlfriend" of Alexander Wenn, the reluctant, billionaire CEO of Wenn Enterprises, who is so devastatingly good looking, he needs a beautiful woman like Jennifer on his arm to "keep the wolves at bay." In this case, the

wolves are other women, all of whom vie for his attention so aggressively, they keep him from focusing on business at the exclusive events he must attend. It's there that deals are cut. What they want is his money and his power. Damaged by a past event, the only thing Alex wants to do is focus on work. And to forget the past. But can Jennifer deny their white-hot chemistry? As she's swept into this glittering otherworld of society and big business, she finds herself struggling to keep from falling for Alex, an almost impossible feat she nevertheless must meet. Armed with her MBA, Jennifer Kent is a strong woman who knows about business. But what she doesn't know is what could destroy her--the business of protecting her own heart. And maybe her own life.

After six years of economic development work in Africa, Ernesto Sirolli witnessed how little most foreign aid programs were actually doing for the people they hoped to help--from creating a communal tomato field on the banks of the Zambezi river (only to be demolished by the river's hippos at harvest time) to donating snow-plows to African nations! However well intentioned, Sirolli points out, inappropriate development often creates more problems than it solves. Thus was the genesis of this exciting and unique alternative to traditional economic

development termed "Enterprise Facilitation"--where depressed communities can build hope and prosperity by first helping individuals to recognize their talents and business passion, and then providing the skills to transform their dreams into meaningful and rewarding work.

SOON TO BE A MAJOR MOTION PICTURE. THE SERIES WITH MORE THAN TWO MILLION BOOKS SOLD WORLDWIDE! After one hellish year, Jennifer and Alex decide to take a break from it all and spend the holidays back in Maine with their extended family, only this time they don't choose their home on the Maine coast. Instead, they rent a mansion at the popular ski resort, Sugarloaf Mountain. And while they're there, apparently everything that can go wrong does go wrong in ways that are designed to keep you horrified--as well as howling. After all, at Sugarloaf, a motherlode of surprises await Blackwell, Daniella, Alexa, Cutter, Brock and Madison (from "Ignite Me"), and naturally, also Jennifer and Alex. Could there be love in the air for Blackwell? And also for Daniella and Alexa? And if there is for any of them, what fresh hell does that mean for you--the reader? In "Annihilate Him: Holiday"--in

It could have been a common street accident that put Dr. Georg Amberg in the hospital, but for the five weeks his doctors say he has been in a coma, recovering from a brain hemorrhage after being run down by a car, he has memories of a more disturbing nature. What of the violent events in the rural village of Morwede? The old woman threatening the priest with a breadknife, angry peasants with flails and cudgels, Baron von Malchin with a pistol defending his dreams for the Holy Roman Empire--how could Dr. Amberg ignore these? And what of the secret experiment to make a mind-altering drug from a white mildew occurring on wheat--a mildew called Saint Peter's Snow. In this feverish tale of a man

caught in the balance between two realities, Leo Perutz offers a mystery of identity and a fable of faith and political fervor, banned by the Nazis when it was first published in 1933. Saint Peter's Snow is typical of Perutz's storytelling mastery: extraordinarily rich and elegant fiction that is taut with suspense, full of Old World irony and humor. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
