Michael Tate. This series of monographs on crime prevention, written and published by the Australian Institute of Criminology, is designed to help both individuals and organisations prevent crime, an aim which the Government endorses without reservation. While the primary responsibility for coping with crime rests with the police,

that are implemented by individuals, communities, institutions, and agencies that are designed to target the individual, social, and environmental causes of crime. The prevention of crime is multifaceted and involves theory, scientific evidence, the application of an appropriate framework, intervention, and evaluation.
