The Mathematics Florida Standards were approved by the Florida State Board of Education on February 18, 2014. These standards were fully implemented in the 2014-15 school year and thereafter. The current Mathematics Florida Standards will continue to be used for instructional and assessment purposes through the end of the 2021-2022 school year.

Softbound Interactive Student Text is divided into a two-volume set that is perfed and 3-hole punched for easy organization for middle school students. This is volume two.

Math Connects: Concepts, Skills, and Problem Solving was written by the authorship team with the end results in mind. They looked at the content needed to be successful in Geometry and Algebra and backmapped the development of mathematical content, concepts, and procedures to PreK to ensure a solid foundation and seamless transition from grade level to grade level. The series is organized around the new NCTM Focal Points and is designed to meet most state standards. Math Connects focuses on three key areas of vocabulary to build mathematical literacy, intervention options aligned to RtI, and a comprehensive assessment system of diagnostic, formative, and summative assessments.

Includes: Print Student Edition

The IMPACT Mathematics, Teacher Guide includes 10 units per grade level where students investigate, apply, and reflect within a real-world context. Contains blackline masters of the student workbook that are followed by field-tested performance-based assessments developed by MARS (Mathematics Assessment Resource Service) under an NSF grant. Includes rubrics and anchor papers.
