For the next six and a half years the Blumenthals were forced to live in refugee, transit, and prison camps, including Westerbork in Holland and Bergen-Belsen in Germany, before finally making it to the United States. Provides a factual reflection of the life of a young girl and her family during the Holocaust

If she could find four perfect pebbles of almost exactly the same size and shape, it meant that her family would remain whole. Mama and papa and she and Albert would survive Bergen-Belsen. The four of them might even survive the Nazis' attempt to destroy every last Jew in Europe.

Six million-- a number impossible to visualize. Six million Jews were killed in Europe between the years 1933 and 1945. What can that number mean to us today? We can that number mean to us today? We are told never to forget the Holocaust, but how can we remember something so incomprehensible? We can think, not of the numbers, the statistics, but of the people. For the families torn apart, watching mothers, fathers, children disappear or be slaughtered, the numbers were agonizingly comprehensible. One. Two. Three. Often more. Here are the stories of those people, recorded in letters and diaries, and in the memories of those who survived. Seen through their eyes, the horror becomes real. We cannot deny it--and we can never forget. 'Based on diaries, letters, songs, and history books, a moving account of Jewish suffering in Nazi Germany before and during World War II.' –Best Books for Young Adults Committee (ALA). 'A noted historian writes on a subject ignored or glossed over in most texts. . . . Now that youngsters are acquainted with the horrors of slavery, they are more prepared to consider the questions the Holocaust raises for us today.' –Language Arts. Told in short, gripping chapters, this is an unforgettable true story of survival. The author was featured in Steven Spielberg's Survivors of the Shoah Visual History Foundation. At just 15, her mother, and brother were taken from their Romanian town to the Auschwitz-II/Birkenau concentration camp. When they arrived at Auschwitz, a soldier waved Elly to the right; her mother and brother to the left. She never saw her family alive again. Thanks to a series of miracles, Elly survived the Holocaust. Today she is dedicated to keeping alive the stories of those who did not. Elly appeared on CBS's 60 Minutes for her involvement in bringing an important lawsuit against Volkswagen, whose German factory used her and other Jews as slave laborers.

"The incredible true story of Michael Bornstein--who at age 4 was one of the youngest children to be liberated from Auschwitz--and of his family"--

From the German invasion of Poland in 1939 to the liberation of her concentration camp in 1945, the author chronicles an adolescence shaped by the horrors of the Holocaust but strengthened by the force of her own will.

With THE CRIME OF JULIAN WELLS, Thomas H. Cook, one of America's most acclaimed suspense writers, has written a novel in the grand tradition of the twisty, cerebral thriller. Like Eric Ambler's A COFFIN FOR DIMITRIOS and Graham Greene's THE THIRD MAN, it is a mystery of identity, or assumed identity, a journey into the maze of a mysterious life. When famed true-crime writer Julian Wells' body if found in a boat drifting on a Montauk pond, the question is not how he died, but why? The death is obviously a suicide. But why would Julian Wells have taken his own life? And was this his only crime? These are the questions that first intrigue and then obsess Philip Anders, Wells' best friend and the chief defender of both his moral and his literary legacies. Anders' increasingly passionate and dangerous quest to answer these questions becomes a journey into a haunted life, one marked by travel, learning, achievement and adventure, a life that should have been celebrated, but whose lonely end points to terrors still unknown. Spanning four decades and traversing three continents, THE CRIME OF JULIAN WELLS is a journey into one man's heart of darkness than ends in a blaze of light.

Discusses the events of the Holocaust and includes personal accounts from survivors of their experiences of the persecution and the death camps.

Gripping and inspiring, these true stories of bravery, terror, and hope chronicle nine different children's experiences during the Holocaust.These are the true-life accounts of nine Jewish boys and girls whose lives spiraled into danger and fear as the Holocaust overtook Europe. In a time of great horror, these children each found a way to make it through the nightmare of war. Some made daring escapes into the unknown, others disguised their true identities, and many witnessed unimaginable horrors. But what they all shared was the unshakable belief in-- and hope for-- survival. Their legacy of courage in the face of hatred will move you, captivate you, and, ultimately, inspire you.
