to add visual clarity and further demonstrate the subject matter.

Helps students to test their knowledge and gain crucial exam practice.

This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com). Through the language of global learning, education is being reformed by corporations, political activists, and policy makers. Academic subject-based knowledge has been cast as elitist and outdated for a rapidly-changing world. The curriculum has been colonized in the name of teaching skills and attitudes for the global market and global citizenship. Can young people effectively contribute to society without an education in academic knowledge? Alex Standish argues that we can only educate children about the world if we are clear about the boundaries that provide education with its moral worth. These include the boundaries between: education and political activity, public and private realms, education and training, theoretical and everyday knowledge, communities, and subject disciplines. The False Promise of Global Learning demonstrates that the nature and purpose of education has become confused with social, economic, political, and therapeutic aims, and that control over the

curriculum has been taken away from teachers and communities. This is a hard-hitting work that will resonate with all who have a stake in how - and why - we educate our children.

Designed with New York State high school students in mind. CliffsTestPrep is the only hands-on workbook that lets you study, review, and answer practice Regents exam questions on the topics you're learning as you go. Concise answer explanations immediately follow each question--so everything you need is right there at your fingertips. After going through the practice questions, you can use the workbook again as a refresher to prepare for the Regents exam by taking a full-length practice test. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review. About the contents: Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following subjects: World History Geography Economics Civics, Citizenship, and Government A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy! The only review-as-you-go workbook for the New York State Regents exam.
