His popular courses were renowned for their energetic presentations, commitment to scholarship, and helping students achieve high AP® exam scores.

American government is not just one story—it's many stories. Our stories. And they are still being told. In American Government: Stories of a Nation, author Scott Abernathy tunes in to the voices of America's people, showing how diverse ideas throughout our nation's history have shaped our political institutions, our identities, the way we participate and behave, the laws we live by, and the challenges we face. His storytelling approach brings the core concepts of government to life, making them meaningful and memorable, and allowing all students to see themselves reflected in the pages. For the new Brief Edition, Abernathy has carefully condensed and updated the content from the Full version, giving you the information you need--and the stories you can relate to--in a more concise, value-oriented package.

PREMIUM PRACTICE FOR A PERFECT 5--WITH THE MOST PRACTICE ON THE MARKET! Ace the 2021 AP U.S. Government & Politics Exam with this Premium version of The Princeton Review's comprehensive study guide. Learn how American politics affects public policy Revel(TM) Government in America: People, Politics, and Policy explores our government's impact on the daily lives of Americans by focusing on public policy. Authors George Edwards, Martin Wattenberg, and William Howell provide a framework for students to understand the difficult questions that decision makers of both political parties are facing: how

should we govern and what should government do? In order to boost student engagement with key concepts, the 2016 Presidential Election Edition incorporates coverage of contemporary issues that dominate today's headlines, as well as the most up-to-date data. Revel is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, Revel replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, Revel is an interactive learning environment that enables students to read, practice, and study in one continuous experience -- for less than the cost of a traditional textbook. NOTE: Revel is a fully digital delivery of Pearson content. This ISBN is for the standalone Revel access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.

About Our Authors Katherine Olson-Goldman has spent the last two decades developing and teaching numerous courses in government and politics, law, and history, including AP® United States Government and Politics, AP® Comparative Government and Politics, and Practical Law. Ms. Olson-Goldman holds a bachelor's degree in political science from DePaul University, a secondary teaching certification from the University of Wisconsin, and a Juris Doctor from Marquette University Law School where she was a Thomas Moore scholar and served on law review. Nancy Fenton, M.A., teaches AP® U.S. Government and Politics at the award-winning Adlai E. Stevenson High School in Lincolnshire, Illinois. She has been teaching government and politics since 2003. Ms. Fenton is also a College Board consultant and has served as a reader for AP® Psychology since 2008 and a table leader since 2017. She has a bachelor's degree in history and holds two master's degrees, one in psychology and one in curriculum and instruction technology.

This best-selling book in American government puts readers directly in touch with the great authors and political leaders who have shaped-and are shaping-American government. American Government: Readings and Cases has been the bestselling American government reader for over 40 years. This anthology continues to provide a strong, balanced blend of classic selections that illustrate and amplify important concepts in American government, along with current readings and cases drawn from today's headlines.

"This edition of Government in America explains the reasons we have such a difficult time resolving differences over public policy and the stakes we all have in finding solutions to the challenges facing our nation. We frame its content with a public policy approach to government in the United States and continually ask-and answer-the question, "What difference does politics make to the policies that governments produce?" It is one thing to describe the Madisonian system of checks and balances and separation of powers or the elaborate and unusual federal system of government in the United States; it is something else to ask how these features of our constitutional structure affect the policies that governments generate. The essence of our approach to American government and politics is that politics matters. The national government provides important services, ranging from retirement security and health care to recreation facilities and weather forecasts. The government may also send us to war or negotiate peace with our adversaries, expand or restrict our freedom, raise or lower our taxes, and increase or decrease aid for education. In the twenty-first century, decision makers of both political parties are facing difficult questions regarding American democracy and the scope of our government"--

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.
