Kurt Janisch is an ambitious, but frustrated country policeman. Things are not going right in his life - at least not fast enough. But a country policeman gets talking to a lot of people in the line of duty - particularly women. Lonely, middle-aged women, women with a bit of property perhaps... Matters go from bad to worse: for Kurt Janisch, for the women who fall for him. Someone sees too much, knows too much. Soon there's a body in a lake and a murderer to be caught. A thriller set amid the mountains and small towns of southern Austria, Greed is Elfriede Jelinek's most accessible novel since *The Piano Teacher*. But as always Jelinek gives the reader a lot more to think about: the ecological costs of affluence, the inescapable burden and inadequacy of our everyday words, the exploitative nature of relations between men and women, the impossibility of life without relationships. A meditative reflection on ageing, Greed is another chapter in Jelinek's chronicling of her love/hate relationship with Austria.

"In this book, Childs probes this disturbing development in its economic and cultural

dimensions, gauging contemporary ways in light of Christian ethical principles. Investigating such issues as corporate downsizing, executive compensation, health-care delivery, and global economic disparities mirrored in hunger, Childs also offers a biblically-based alternative vision of sharing and community."--BOOK JACKET.

An exploration of life in post-World War II Austria follows a sadistic, unrepentant ex-Nazi, his battered wife, and their disaffected son and daughter as the shadow of Europe's recent violent past haunts their lives.

In post-World War II Austria, Gerti, a woman on the verge of a breakdown due to her husband's relentless sexual attentions, wanders away from home one day and is rescued by an ambitious young man who turns out to be much like her husband.

Nobel Prize winner Elfriede Jelinek is known as a writer who works in response to contemporary crises and cultural phenomena. Perhaps none of her works display that quality as clearly as *On the Royal Road*. Three weeks after Donald Trump's election, Jelinek mailed her German editor the first draft of this monologue, which turns out to be a stunningly prescient response to Trump and what he represents. In this drama we discover that a 'king', blinded by himself,

who has made a fortune with real estate, golf courses and casinos, suddenly rules the United States, and the rest of the people of the world rub their eyes in disbelief until no one sees anything anymore. On the Royal Road brings into focus the phenomenon of right-wing populism. Carefully perched somewhere between tragedy and grotesque, high-pitched and squeamish, Jelinek in this work questions her own position and forms of resistance. 'Ms. Jelinek's play is a screed of outrage at the political, economic and cultural forces that have brought us to an unprecedented – and for many, unimaginable – moment of crisis for modern democracy. Mr. Trump is never mentioned by name, but the narration sketches an undisciplined, uncouth monarch who has been propped up by obscene wealth, a nonstop media circus and a remarkable talent for self-aggrandizing...[On the Royal Road] is neither a polemic nor a historical dramatization but an of-the-moment allegory for our deeply troubling political, social and economic reality.' – A. J. Goldman, New York Times 'Jelinek's work is brave, adventurous, witty, antagonistic and devastatingly right about the sorriness of human existence, and her contempt is expressed with surprising chirpiness: it's a wild ride.' – The Guardian

An essay for the stage from 2004 Nobel Prize in Literature Laureate Elfriede Jelinek focusing on the ills of capitalism.

38-year-old Erika Kohut, a piano teacher at the Vienna Conservatory, still lives with her domineering mother. Erika has a weakness for buying clothing that she will never actually wear, secretly visits Turkish peep shows and watches sadomasochistic films. When a handsome, self-absorbed 17-year-old student attempts to seduce Erika, she resists, but the relationship between teacher and pupil spirals rapidly out of control, and Erika becomes consumed by the ecstasy of self-destruction.

No other figure embodies revolutionary politics and radical chic quite like Ulrike Meinhof, who formed, with Andreas Baader and Gudrun Ensslin, the Red Army Faction (RAF), also known as the Baader-Meinhof Gang, notorious for its bombings and kidnappings of the wealthy in the 1970s. But in the years leading up to her leap into the fray, Meinhof was known throughout Europe as a respected journalist, who informed and entertained her loyal readers with monthly magazine columns. What impels someone to abandon middle-class privilege for the sake of revolution? In the 1960s, Meinhof began to see the world in increasingly stark terms: the United States was emerging as an unstoppable superpower, massacring a tiny country overseas despite increasingly popular dissent at home; and Germany appeared to be run by former Nazis. Never before translated into English,

Meinhof's writings show a woman increasingly engaged in the major political events and social currents of her time. In her introduction, Karin Bauer tells Meinhof's mesmerizing life story and her political coming-of-age; Nobel Prize-winning author Elfriede Jelinek provides a thoughtful reflection on Meinhof's tragic failure to be heard; and Meinhof's daughter—a relentless critic of her mother and of the Left—contributes an afterword that shows how Meinhof's ghost still haunts us today.

From the Nobel Prize-winning author .... Greed is the story of Kurt Janisch, an ambitious but frustrated country policeman, and the lonely women he seduces. It is a thriller set amid the mountains and small towns of southern Austria, where the investigation of a dead girl's body in a lake leads to the discovery of more than a single crime. In her signature style, Jelinek chronicles the exploitative nature of relations between men and women, and the cruelties of everyday life.

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of Amnesty and Selection Day that critics have likened to Richard Wright's Native Son, The White Tiger follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the

Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.
