But when his past catches up with him, Sean faces an ultimatum: clear his name and help the FBI take down a rogue agent, or go to prison and lose everything he holds dear. With only Agent Noah Armstrong as his back-up and forced to keep Lucy in the dark, Sean steps back into his old world. But the longer he's undercover, the more dangerous the game becomes. More than Sean's future with Lucy is at stake—so is his life. Lucy can't imagine Sean would keep secrets from her—until an FBI agent casts doubt about who he really is...and who he used to be. Why did Sean quit his job with his brother and move to New York? Why hasn't he told her anything about his new job? With more questions than answers, Lucy doesn't know who to believe or who she can

She also finds an unexpected group of newlyweds seeking their own idyllic getaway. But finding one of her fellow guests dead wasn't in the brochure. And neither was the overnight snowstorm that leaves the lodge cut off from the outside world. When Lucy's brother suspects the honeymooner's death was foul play, he's mysteriously stricken ill. Now, to keep him and herself alive, it's up to aspiring FBI agent Lucy Kincaid to figure out which of the lovebirds trapped in the lodge is really a bird of prey. **BONUS:** This edition includes an excerpt from Allison Brennan's upcoming novel *Kiss Me, Kill Me* as well as an exclusive excerpt from an FBI interview with Lucy Kincaid!

The dark side of love is no fairy tale.... And while we may like to believe that crimes of the heart only victimize those who aren't careful, this page-turning collection of must-read accounts will convince you otherwise. America's #1 true-crime writer, Ann Rule reveals how lovers become predators, how sex and lust can push ordinary people to desperate acts, and how investigators and forensics experts work to unravel the most entangled crimes of passion. Extracting behind-the-scenes details, Rule makes these volatile relationships utterly real, and masterfully re-creates the ill-fated chains of events in such cases as the ex-Marine and martial arts master who seduced vulnerable women and then destroyed their lives...the killer whose calling card was a single bloodred rose...the faithless wife who manipulated and murdered without conscience...the blind date that set the stage for a killer's brutality...and more. In every case, the victim -- young and innocent or older and experienced -- unknowingly trusted a stranger with the sociopathic skill to hide their dark motives, until it was too late to escape a web of deadly lies, fatal promises, and homicidal possession.
