Book Title: Introduction to Business - Open Textbook

As a textbook targeted at an introductory course in business, the Introduction to Business - 2018 textbook provides a practical overview of various aspects of business over the course of 17 chapters. In addition, this textbook provides key terms (with definitions) at the end of each chapter, which is easier for students to access than looking at one large glossary at the end of a textbook.

Introduction – Introduction to Business

A well-designed booklet goes a long way in making the brand it represents visible in the market. Booklets are nothing but small books or magazines which companies provide for the promotion of their brand. Booklets serve the purpose of advertising and they should look presentable to grab the attention of the user and convey the message of the brand.
