King Claudius, as seen in William Shakespeare's Hamlet, is both intelligent and well-spoken, two traits that, put together, complement his manipulative and dangerous nature. In fact though, it is his conscience that makes Claudius such a complex villain. Despite his rise to power seeming to have been carefully planned and executed, he nevertheless encountered certain things that he did not ...

Shakespeare's Hamlet as a Revenge Tragedy. A Shakespearean tragedy is built upon a central conflict which runs through from the beginning to the end of the tragedy until the conflict is finally resolved. The conflict provides the exposition, suspense, climax and the catastrophe of the play. In the case of Hamlet it is not otherwise. The play is built upon the long, tragic conflict between Hamlet and Claudius and the conflict is built upon the motif of revenge.
