Is it possible that the woman who raised Abraham Lincoln was actually his half-sister, and that the man he knew as his grandfather had conducted a scandalous affair with a servant girl? Was Nancy Dude really a murderous witch, or the victim of relentless calamities that would stretch anyone beyond the bounds of sanity? Should Horace Kephart be considered a hero for his work to protect the area of the Great Smokies, where a mountain was named in his honor, or a drunken scoundrel who uprooted families from the homes and farms they'd had for generations? From Sam Houston's childhood among the Cherokee to the mysterious "road to nowhere", Great SmokiesMyths and Legends makes history fun and pulls back the curtain on some of this national park's most fascinating and compelling stories.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Do you feel like you stopped getting better at League of Legends? Are you hard-stuck in Diamond or Iron? Are you starting to become unsatisfied with your current performance in League of Legends? Then Infinite Intelligence guided you to this book. The author designed this guide to maximize one's performance, putting emphasis on practical exercises and trackable results. This little book breaks down the game into the core elements that have an impact in League of Legends and offers hands-on-the-job action tasks at the end of every chapter to help you maximize your results and ultimately to master the game. Observe, track and improve, with C.M Balmus. About the author: C.M. Balmus has over 15 years of experience in the MOBA environment, being part of the first early adopters of both Dota (1) & League of Legends. The burning desire to solve problems for others backed up by over a decade and a half of trials and observations motivated him towards writing this relatively short guide in order to help all driven players to achieve game mastery.

A collection of modern-day urban myths and folklore explores questions relating to famous figures, government conspiracies, paranola, revenge, chain letters, and humiliating experiences.

The Oxford Guide to Arthurian Literature and Legend is both a critical history of the Arthurian tradition and a reference guide to Arthurian works, names, and symbols. It offers a comprehensive survey of the legends in all of their manifestations, from their origins in medieval literature to their adaptation in modern literature, arts, film, and popular culture. Not only does it analyse familiar Arthurian characters and themes, it also demonstrates the tremendous continuity of the legendsby examining the ways that they have been reinterpreted over the years. For instance, the motif of the abduction of Guinevere can be traced from Chretien de Troyes's Lancelot or the Knight of the Cart and the vulgate cycle of French romances in the 13th century, to Malory's retelling of the story in the Morte d'Arthur, through various modern adaptations like those in T. H. White's The Once and Future King and the contemporary film First Knight. This indispensable reference guide contains seven essays that trace the development of the Arthurian legend, encyclopedic entries, bibliographies, and a comprehensive index. The essays explore the chronicle and romance traditions, the influence of Malory, the Grail legend, the figures of Gawain and Merlin, and the story of Tristan and Isol\u00eet. The entries, which highlight key Arthurian characters, symbols, and places, offer quick and easy references. The extensive chapter-by-chapter bibliographies, which are subdivided by topic, augment thegeneral bibliography of Arthurian resources. Comprehensive in its analysis and hypertextual in its approach, The Oxford Guide to Arthurian Literature and Legend is an essential reference book for Arthurian scholars, medievalists, and for those interested in cultural studies of myth and legend.
