After a somewhat random series of jobs, which included being Red Rum ’ s stableboy and a bingo hall barman, it was as a Great Yarmouth holiday camp entertainer that he had his first crack at telling jokes on stage. Rob Brydon tells story of his slow ascent to fame and fortune in Small Man in a Book. A multi-award-winning actor, writer, comedian and presenter known for his warmth, humour and inspired impressions, Rob Brydon has quickly become one of our very favourite entertainers. But there was a time when it looked like all we'd hear of Rob was his gifted voice. Growing up in South Wales, Rob had a passion for radio and soon the Welsh airwaves resounded to his hearty burr. However, these were followed by years of misadventure and struggle, before, in the TV series Marion and Geoff and Gavin and Stacey, Rob at last tickled the nation's funny bone. The rest, as they say, is history. Or in his case autobiography. Small Man in a Book is Rob Brydon's funny, heartfelt, honest, sometimes sad, but mainly funny, memoir of how a young man from Wales very, very slowly became an overnight success. Rob Brydon was brought up in Wales, where his career began on radio and as a voiceover artist. After a brief stint working for the Home Shopping Network he co-wrote and performed in his breakthrough show, the darkly funny Human Remains. He has since starred in the immensely popular Gavin and Stacey, Steve Coogan's partner in The Trip, and was the host of Would I Lie to You? and The Rob Brydon Show. He now lives in London with his wife and five children.

Lee Evans is one of the best-loved comedians in the country; a Hollywood star able to sell out arenas in the blink of eye. But he was not always such a roaring success. *The Life of Lee* is an utterly hilarious and very moving autobiography charting his ups and downs on the way to the top. Lee takes us on a darkly humorous journey through his childhood spent running wild on a Bristol housing estate and his unconventional school days, when he was publicly derided as 'a failure' by a sadistic teacher. In this brilliantly entertaining and engaging tale, he also guides us through a grim teenage period of numerous dead-end jobs. When he was cleaning toilets and plucking turkeys, he could never have imagined that one day he would be playing to thousands of adoring fans at the O2 Arena. The book also reveals how as a boy Lee got his first taste of showbiz, living out of a suitcase and accompanying his entertainer father around the smoky, rowdy, unforgiving working-men's club and theatre circuit. Desperately struggling to be accepted, this quiet young loner always saw himself as an outsider. But he finally met the love of his life and accidentally discovered the one place where he felt at home: the stage. *The Life of Lee* is a story that is like its subject: compelling, touching, charming and, above all, fantastically funny.

'Brilliantly written. Very funny and heartbreaking.' Davina McCall From one of Britain 's most popular and prolific comedians comes a hilarious and deeply moving memoir of life lived under the rule of a Silverback dad. The Silverback is considered the undisputed king, a creature whose authority is never challenged and who does not yield to compromise. He walks proudly, feeds greedily, grafts tirelessly, mates voraciously, swears constantly and is threatened all too easily. The Silverback is known to nestle in the misty peaks of central Africa but can also be found in Barking, Essex. Meet Dave Kane, the disappointed, steroid-ingesting, metal-wielding, bouncer father of slight, effete Gamma Male, Russell Kane. SON OF A SILVERBACK is a story about fathers and sons, class and education and how one scrawny, sensitive, fake-tan-applying 'ponce' stepped out of his father's shadow and became a man - whatever that means.

As well as giving a specific account of every single time he's scored some smack, this disgusting memoir also details: the singular, pitbull-infested charm of the FRP ('Flat Roofed Pub') the curious French habit
