## Timing a New Holland 283 Square Baler - YouTube

From what I see there aren't any bad new holland models. I recently purchased a new holland 320 baler after alot of research on it and my tractors capabilities. I have also found that the 269 and old don't have a super sweep head but can be converted. The super sweep head started on the 273 I believe. I see alot of 273s for sell.

Good, Bad Ugly in reply to MLD,  
05-27-2009 05:55:27 Just wanted to add  
this- for years I ran my little NH 68 kinda  
slow, take it easy on the machine I  
thought. It came with the Wisconsin on it  
and I later switched it over to PTO drive  
and used it with an 800 Ford or Cockshut  
30.
