Pulvis Et Umbra. Reviewed in Italy on 4 September 2018. Verified Purchase. Il titolo contiene gi  un'attrattiva forte, che per   viene confermata dal libro; una scrittura estremamente piacevole che tiene il lettore fisso sulla storia fino alla fine. Nonostante io non sia amante di una trama continua, senza divisione in capitoli, il libro mi ha sorpreso. Inoltre la ...

E 'Pulvis et umbra' non fa eccezione. Una storia coinvolgente, ancora pi  dura delle precedenti e in cui persino il Vicequestore finisce per trovarsi a disagio per il troppo fango in cui deve muoversi. La fine del libro (con tanto di sorpresa nelle ultimissime pagine) lascia un po' di amaro in bocca e, in attesa di un nuovo capitolo, non ci resta che sperare nelle visite di Marina e nella ...

Aosta e Roma, doppia indagine per Rocco Schiavone nell ' attesissimo nuovo romanzo. Un noir mozzafiato dal ritmo perfetto con un meccanismo dai mille ingranaggi che non perde mai un colpo.

Il Capodanno del vicequestore Rocco Schiavone non potrebbe essere pi  ruvido: a martellate   stato spaccato il cranio di un pensionato-barbone. Unico testimone un altro barbone. E in pi    in attesa di un trasferimento punitivo. Il racconto 'L'accattone'   tratto dall'antologia 'Capodanno in giallo' pubblicata nel 2012.

A clever, engaging third novel in the Rocco Schiavone mystery series from bestselling Italian author. Antonio Manzini, following the dashing deputy police chief who confronts his most riveting case ever. It ' s the bitterly cold spring season in alpine Aosta, and a girl has been kidnapped. Chiara Berguet, daughter of the owners of a local construction firm, was targeted thanks to the sizeable debt her parents owe. But like many a best-laid plan, a blown tire causes the crime to go haywire as the kidnappers ' van skids off the road and crashes into a pair of larch trees. Both the driver and his accomplice die on impact, leaving the girl in the back, gagged and bound and unable to break herself free. Meanwhile Rocco Schiavone wakes to find himself in Anna ' s apartment. She ' s the best friend of his girlfriend Nora, and memories of the night before, a heated evening with Anna, return to him. As he sneaks out, he sees the first few snowstorm clouds of the spring season move across the sky, an ominous reference that something is off. If trouble at home and a case of kidnapping weren ' t enough, Rocco will eventually have to contend with Enzo Baiocchi. Rocco was the one who sent Enzo to prison, and in the process killed Enzo ' s brother. Having just escaped from prison, Enzo is heading north with a newly purchased revolver and, clearly, revenge on his mind. And when an unfortunate incident of mistaken identity makes Enzo ' s act of revenge even more fiendish, it also presents a gruesome scene for Rocco to discover on his return home.

The fourth installment in the Rocco Schiavone mystery series from the international bestselling author, Antonio Manzini picks up three days after his last novel, Out of Season, left off, as Rocco seeks revenge for a friend—and closure for himself. Rocco is still reeling from the death of his best friend ' s girlfriend, who was murdered as she slept in his bed. There ' s no doubt that she was in the wrong place at the wrong time and paid the ultimate price. With the identity of the hitman still unknown, a cloud lingers over Rocco, dulling his judgment and leaving this anti-hero exposed to other threats. For Rocco has stepped on one too many people ' s toes over the years, namely the mafia that is still being rooted out in Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can ' t easily crack. And now he must grapple between these two parallel investigations and find answers once and for all...before one too many skeletons come after him. With the same clever insights, vitality, and humor readers have come to expect from Manzini, Spring Cleaning is another engaging, page-turning mystery.

Having got on the wrong side of some powerful people, Rocco Schiavone, deputy prefect of police, is exiled to Aosta, a small alpine town. The sophisticated, crotchety Roman is not best pleased - he despises mountains, snow, and the provincial locals as much as he disdains his superiors and their petty rules. What he loves is solving crimes. And when a mangled body is discovered on a piste, Rocco faces his first challenge -identifying the victim, a procedure complicated by his ignorance of the customs, dialect, and history of his new home.

Small towns can hide big secrets, but Rocco Schiavone will do whatever it takes to bring them into the light. The second novel in the internationally bestselling series from Italian crime maestro Antonio Manzini.

Join the bestselling author of Ciao, America! on a lively tour of modern Italy that takes you behind the seductive face it puts on for visitors—la bella figura—and highlights its maddening, paradoxical true self You won ' t need luggage for this hypothetical and hilarious trip into the hearts and minds of Beppe Severgnini ' s fellow Italians. In fact, Beppe would prefer if you left behind the baggage his crafty and elegant countrymen have smuggled into your subconscious. To get to his Italia, you ' ll need to forget about your idealized notions of Italy. Although La Bella Figura will take you to legendary cities and scenic regions, your real destinations are the places where Italians are at their best, worst, and most authentic: The highway; in America, a red light has only one possible interpretation—Stop! An Italian red light doesn ' t warn or order you as much as provide an invitation for reflection. The airport: where Italians prove that one of their virtues (an appreciation for beauty) is really a vice. Who cares if the beautiful girls hawking cell phones in airport kiosks stick you with an outdated model? That ' s the price of gazing upon perfection. The small town: which demonstrates the Italian genius for pleasant living: " a congenial barber . . . a well-stocked newsstand . . . professionally made coffee and a proper pizza; bell towers we can recognize in the distance, and people with a kind word and a smile for everyone. " The chaos of the roads, the anarchy of the office, the theatrical spirit of the hypermarkets, and garrulous train journeys; the sensory reassurance of a church and the importance of the beach; the solitude of the soccer stadium and the crowded Italian bedroom; the vertical fixations of the apartment building and the horizontal democracy of the eat-in kitchen. As you venture to these and many other locations rooted in the Italian psyche, you realize that Beppe has become your Dante and shown you a country that " has too much style to be hell " but is " too disorderly to be heaven. " Ten days, thirty places. From north to south. From food to politics. From saintliness to sexuality. This ironic, methodical, and sentimental examination will help you understand why Italy—as Beppe says— " can have you fuming and then purring in the space of a hundred meters or ten minutes. "

Hailed as "a wonderful storyteller" by the New York Times, and a "national and literary cultural sensation" by the Los Angeles Times, bestselling author Tony Hillerman is back with another blockbuster novel featuring the legendary Lieutenant Joe Leaphorn and Sergeant Jim Chee. Former Navajo Tribal Police Lieutenant Joe Leaphorn comes out of retirement to help investigate what seems to be a trading post robbery. A simple-minded kid nailed for the crime is the cousin of an old colleague of Sergeant Jim Chee. He needs help and Chee, and his fianc e Bernie Manuelito, decide to provide it. Proving the kid's innocence requires finding the remains of one of 172 people whose bodies were scattered among the cliffs of the Grand Canyon in an epic airline disaster 50 years in the past. That passenger had handcuffed to his wrist an attach  case filled with a fortune—one of which seems to have turned up in the robbery. But with Hillerman, it can't be that simple. The daughter of the long-dead diamond dealer is also seeking his body. So is a most unpleasant fellow willing to kill to make sure she doesn't succeed. These two tense tales collide deep in the canyon at the place where an old man died trying to build a cult reviving reverence for the Hopi guardian of the Underworld. It's a race to the finish in a thunderous monsoon storm to see who will survive, who will be brought to justice, and who will finally unearth the Skeleton Man.

Companion volume to the second season of the Hap and Leonard television series.

Tells of a celebrated seventh-century Chinese magistrate's investigation of a double murder among traveling merchants, the fatal poisoning of a bride on her wedding night, and a murder in a small town
