part. Virtually penniless and enticingly innocent, she soon finds herself at the mercy of Travis Blake. Travis is a hard-working, self-made rancher that has never known love or softness of any kind. His only use for women is sexual, and Selena is caught on his ranch with no way out. While Selena plots her escape from his control, Travis ruthlessly and methodically tightens his possession and makes it impossible for her to leave. The struggle that follows is a clash of wills that pits purity against passion, virtue against vice and love against lust.

A much-needed contribution to the expanding interest in the history of travel and travel writing, *Voyages and Visions* is the first attempt to sketch a cultural history of travel from the sixteenth century to the present day. The essays address the theme of travel as a historical, literary and imaginative process, focusing on significant episodes and encounters in world history. The contributors to this collection include historians of art and of science, anthropologists, literary critics and mainstream cultural historians. Their essays encompass a challenging range of subjects, including the explorations of South America, India and Mexico; mountaineering in the Himalayas; space travel; science fiction; and American post-war travel fiction. *Voyages and Visions* is truly interdisciplinary, and essential reading for anyone interested in travel writing. With essays by Kasia Boddy, Michael Bravo, Peter Burke, Melissa Calaresu, Jesus Maria Carillo Castillo, Peter Hansen,
