Artemis Entreri has taken Regis back to his former master, Pasha Pook—but Drizzt Do ' Urden and Wulfgar are fast on the assassin ' s heels. Armed with the scimitar Twinkle, Drizzt defeats a banshee and acquires an enchanted artifact that masks its wearer ' s true identity. With Drizzt now disguised as a normal elf, the duo continues their journey, traveling from Waterdeep to Baldur ' s Gate, and beyond, in search of their friend. Meanwhile, Entreri is always one step ahead, aided by the magical gem Regis once stole from Pasha Pook. Together, Regis ' captors thwart Drizzt and Wulfgar ' s mission at every turn, cornering them into battles with pirates, treks through the Calimshan deserts, and encounters with otherworldly monsters. But will it be enough to stop them from rescuing Regis? The Halfling ' s Gem is the third book in the Icewind Dale Trilogy and the sixth book in the Legend of Drizzt series.

Dive into the secret, ancient, powerful world of two New Orleans families, the Deschanel and the Sullivans... Two dynasties clash for power. Only one empire can emerge. In a time now legend, a sacred vow united the Farværdig and the Tuatha Dé Danann. One race born of fire, the other risen from nature. Together, they enjoyed centuries of peace and prosperity, under the protective blanket of this hallowed oath. But when war came to the doorstep of the Tuatha, the Farværdig turned their backs. Expelled from their lands, those Tuatha who were not extinguished went into hiding, later re-emerging in secret as the Quinlans. The broken vow took its toll on the Farværdig, dividing the race into two factions: those willing to fall to heel of new restrictive laws, and rebels determined to restore the peaceful values of their kind. In the midst of years of strife that follows, a Prophecy emerged, promising hope. Unite the races once more, and right the ancient wrong. As the shadows of age and myth are exposed, the Deschanel find themselves deeply enmeshed in this war. A collection of short fiction and novels by leading fantasy authors journeys to the worlds of imagination they created in their works, with contributions by Terry Brooks, Orson Scott Card, Diana Gabaldon, Anne McCaffrey, and Neil Gaiman.

On a dead world orbiting a black hole, shadows awaken. Some call them ghosts. Others believe them mere figments of the imagination. Yet for the scientists stranded on this rocky outpost, the evil haunting their halls is all too real. A handful of men and women have come here, to this desolate world light-years away from civilization. They came to study the black hole, this anomaly that breaks all their calculations. A black hole more like a living creature. A god of darkness. And through the halls of the observatory, this deity's warriors scurry, whisper, reach from the shadows. Creatures woven of darkness, of an evil from beyond. Only one team of heroes can save the scientists stranded here. The Alien Hunters have never faced anything like these shadowy spirits. They're galactic pest controllers, not ghostbusters. Yet as the evil from the black hole threatens to overwhelm the entire cosmos, the Alien Hunters find themselves staring into the darkness . . . and finding terror.

A terrible evil lingers in the shadows of Amaranth. The Father of Blood and Shadows plots his return. His dark priestess, Zamari, gathers his loyal followers. From the ashes, she and her dark god will rule for eternity. All she needs is the key to open the door to release him. An artifact lost to time.....the Pilgrim Stone. Consus Edderick, a young scholar, must race against time with his three brothers to find the Pilgrim Stone before Zamari does. He will fight dragons, dark knights, and discover his own magical gifts as he fights to save the world.

The age of human wizardry is drawing to an end. The wizards are now almost universally despised for the part they had played in ancient

wars and politics. The life of one wizard, Syle, is in a quiet valley where he now resides with his feline companion, Greysquire. Now the valley's peace is shattered as a horde of beasts traverse it destroying the nearby village of Broadoak and slaughtering all but Tallon a half-elven girl, daughter of Syle's inn keeper friends. There had been peace in the world for many decades, but now Syle is compelled to determine the hordes purpose. Joined by a small group of adventurers they meet along the way, Syle and his party must determine the key to dissipating the power which has mobilised the evil horde army. They follow a hazardous, less well traveled route to avoid detection. Battling the ancient horrors in long dead cities, in wilderness and underground each of the travelers has his or her part to play.

Adapted from the famous book by R.A. Salvatore, *The Legend of Drizzt: The Halfling's Gem*. At long last, Drizzt D'ourden has found a surrogate family to love and stand by through all. However, in the aftermath of the battle for Mithral Hall, Drizzt finds this family in pieces. Bruenor Battlehammer is lost, thought to be dead; Guenwhyvar—his loyal, magical panther—is missing; and Regis The Halfling has been kidnapped by Drizzt's archenemy, Artemis Entreri.

The unclean places of Jashandar have come alive with a vengeance: the hollows of slime, the treetops of flesh, the heart of a bog where the beasties run wild. As Brine and Jaysh set out to salvage their homeland, they soon learn their homeland has a mind of its own.

Valdar is a city of swordslingers and necromancers, witch cults and halfhuman races. Its a city in a world of darkness, black magic and creatures of the night . . . a city where demonic entities serve the needs of any witch or magician who can open a doorway into their domain. This is my city. This is my world. With a special dowsing rod, I can detect the ectoplasmic residue of any supernatural presence or demonic entity and sense the vestiges of odylic power and vile sorcery used in the commission of crimes. I hunt anyone and anything that poses a threat to the people of my city. My names Dorgo. Folks call me the Dowser. From infernal depths where lost souls mutate into hell-spawned devils, from the other side of the veil that separates the earthly from the unearthly, from an ancient land whose borders cross into other dimensions, *Mad Shadows* *The Weird Tales of Dorgo the Dowser*, will transport you to a world where sentient shadows, vengeful vampires, malevolent puppets, and raging werewolves haunt the night . . . a world where life is cheap and souls are always up for sale.

Praise for *The Shard Axe* by Marsheila Rockwell: “ The action is quick, brutal, and author Marsheila Rockwell does a wonderful job painting believable characters in mythical situations that are just magical enough to still be grounded in some sort of realism. *The Shard Axe* . . . is a must for any fan of *Dungeons and Dragons* novels, fantasy novels, or the MMO. ” —MMOfallout.com “Sabira is a great fantasy noir action heroine, and her adventure had a lot of fun surprises and colorful characters. I'm happy to recommend it to others, especially fans of *Eberron* and *DDO*. It was a fun read and I look forward to further tales of the *Shard Axe*.” --Sigfried Trent, *DDOcast* “ I enjoyed [*The Shard Axe*] very much. It was great to see references to various *DDO:U* NPCs and situations. In particular I really liked a scene where the protagonist had to deal with acid-spewing traps in Stormreach ' s sewers. It felt ' like home. ' ” —Cordovan, *myddo.com* “ Sabira d ' Deneith is a fantastic character. She ' s flawed and likable. . . .The beginning of the novel really throws you into things. It ' s exciting, action-packed, and allows you to really get a grasp on what is going on. ” —*Read Between the Lines* “ This is a book to be devoured in one setting. It is fast paced with bits of backstory dropped in at choice moments that flesh out Sabira ' s story perfectly. While I am not as familiar with *Eberron* as I am the *Forgotten Realms*, this book required no previous knowledge of the *Eberron* setting and can be enjoyed as a standalone novel. The key element of the story is Sabira, to say that her methods are unorthodox and she is a “ bit of a rule breaker ” is an understatement but she has a fierce sense of duty that guides her actions. So her prisoners are brought in a little worse for wear? It is part of her charm... ” —Stefan ' s *Bookshelf Overview*: Created in conjunction with the latest update for the *Dungeons & Dragons* online game, this exciting adventure continues the story of Sabira from *The Shard Axe*, featuring an underground expedition in dark caverns, drow intrigue, powerful artifacts, and unrequited love. *Read More*: If you are looking for more about *Dungeons & Dragons Online* search for, “ *The Shard Axe* ” by Marshiela Rockwell, a chilling mystery set in the world of *Dungeons & Dragons Online*. If you are looking for more kickass heroines, search for “ *Gauntlgrym* ” by R.A. Salvatore, featuring the alluring and powerful Dahlia Sin ' Felle who squares off against the legendary Drizzt Do ' Urden. If you are looking for more about drow, search for “ *Homeland* ” by R.A. Salvatore, the first book in the epic *Legend of Drizzt*. If you are looking for more fantasy mysteries, search for “ *The God Catcher* ” by Erin M.
