Nina always loved the nightlife. It's a lousy first day on the job for dental assistant Nina Blackman when a patient, loopy from the anesthesia, bites her. At least he was cute. But for real drama she can't beat the next evening when she wakes up with a set of razor sharp fangs, bionic vision, super-sonic hearing, and a taste for blood. There must be a good explanation. There is. It's her patient, Greg Statleon. She just never expected to be the nightlife. A visit to his Long Island castle hardly results in a cure. Greg claims there isn't one. Unfortunately, Nina isn't wild about her lifestyle change--or the danger that goes along with it. She's determined to prove this infuriating vampire wrong. It's a shame he's so irresistible. It's a bigger shame that he's dead. On the other hand, they're perfect for each other--if Nina's willing to commit to one man for eternity...

Love gets a bit devilish in this contemporary romance from the national bestselling author of *The Accidental Werewolf*. When mild-mannered Casey Schwartz wakes up in jail, she has no memory of how she got there. But after her sister, Wanda, bails her out, Casey has more to deal with than a foggy memory—like abrupt mood swings and fireballs shooting from her fingertips. But things really head south when a vampire shows up on her doorstep... Vampire Clayton Gunnersson is seriously hot. And seriously taken—by a demon. In a ritual gone wrong, Clayton tried to get rid of his unwanted bond, but spilled some demonic blood on Casey, getting her possessed in the process. Now, Casey has to share her body and manage to keep her growing attraction to Clayton in check, because falling for her demon's boyfriend just might get Casey killed...from the inside out.

Oliver Baldwin has a problem. And it's a big one. He has a unicorn horn. A unicorn horn that's pink and purple and shoots glitter everywhere. Everywhere... But that's not all it does. So what's a guy who, out of nowhere, has a swirly horn sprout from his head to do? He calls the ladies of OOPS and in the process gets a bird's eye view of a world he never knew existed. The good news? Oliver meets a woman named Vinnie who just might change his mind about never falling in love again. The bad news? It's really hard to find the time to get to know someone you think might be the woman of your dreams when you have crazy unicorn hunters hot on your tail, a handful of gods and goddesses who'd like nothing more than to hack your horn off for its special power... Oh, and the threat of imminent death...

A purrr-fectly scintillating new novel from the national bestselling author of *Accidentally Demonic*. Katie Woods never thought she'd be forty-one, divorced, and thrust back into the dating world. To start fresh, Katie uproots her veterinary practice to upstate New York—not exactly the hottest dating scene on the planet. But when an unconscious cougar appears at her clinic, Katie's newly single life gets a much needed jolt of the supernatural kind. After Katie examines the cougar and leaves him caged overnight, she's shocked to find a big strapping specimen of young, hot man in its place. And when the scratch she got during the exam results in some unnatural side effects, Katie has more to deal with than her animal attraction to a much younger guy—she has to figure how to stop herself from becoming a cougar of the four-legged variety.

Find out who's doing what to whom and more, as Dakota Cassidy hosts the interview of the decade! Dear Readers, It's been seven (seven!) years since the release of book one in my Accidentally Paranormal series, and now, on the cusp of releasing book ten (hold me!), I figured it was high time I put together something that would not only help new readers jump into the fray several books in, but also help me remember what I wrote way back when. (Hey, I ain't gettin' any younger, and my brain is stuffed full of makeup tips and reality TV trivia.) So I called up my pals Nina, Marty and Wanda, who schlepped all the way out to my home in Oregon--with a few other fan-fave characters in tow, for Interview With an Accidental. During an intimate interview by moi, you can meet the ladies who have been mainstays in all of my Accidental books--if Nina lets anyone get a word in between all her, um...colorful commentary. Grab a cocktail and enjoy a gabfest with the girls, as well as a bonus chapter from my next book, Accidentally Aphrodite--for the low, low price of free!
