The Law and Business Administration in Canada responds to the needs of today’s business students by streamlining the traditional study of contractual principles, emphasizing current legal topics involving government regulation of business, corporate governance, e-commerce, privacy, and globalization, and adding continuity to the discussion of strategies to manage business’s legal risks by asking students to consider the legal issues facing a single businesses as it evolves through each chapter. 0135353726 / 9780135353721 The Law and Business Administration in Canada Plus MyLab Business Law with Pearson eText -- Access Card Package, 15/e Package consists of: 0134841298 / 9780134841298 The Law and Business Administration in Canada, 15/e 0135243114 / 9780135243114 MyLab Business Law with Pearson eText -- Standalone Access Card -- for The Law and Business Administration in Canada, 15/e

Business Administration offers an integrated, practical approach to all key aspects of business administration and to how business processes are managed. The authors highlight the function and relevance of business management in day-to-day business operations. Business Administration offers a single frame of reference for all chapters: Management success stories Management blunders Socially responsible business practice Key performance indicators Historical trends in business administration This book is an indispensable tool in all degree programmes in which business administration is a key component, including Business, Economics and Law, as well as other economics and business programmes. A companion website featuring extra materials for lecturers and students is available at: <http://www.mathematicsforfinanceandconomics.noordhoff.nl>

The Law and Business Administration in Canada, 14th edition, responds to the needs of today’s business students by streamlining the traditional study of contractual principles, emphasizing current legal topics involving government regulation of business, corporate governance, e-commerce, privacy, and globalization, and adding continuity to the discussion of strategies to manage business’s legal risks by asking students to consider the legal issues facing a single businesses as it evolves through each chapter.

The new, eight edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the seven prior editions successful, this new edition now includes, a four-color design, updated content, two new appendices, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. This book has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law.
