?The rush of adrenaline and the hard pounding of fists to flesh rings loud in my ears. A fighter's movement is as graceful as a dancer - a fighter's dance has always intrigued me. The way they move so graceful - choreograph. Feet stomping on the dirt, their arms and legs cutting through the air, and their breath syncing with their movements. My opponent is not as in sync as the others.

Alpha is the first letter in the Greek alphabet, its privileged position lending itself as a metaphor for primacy or superiority since at least the 1300s in English. By the 1870s, scientists were using the term alpha male to refer to the most dominant male animal in a group—like an alpha wolf, who achieves top-dog status through aggressive behavior.

[The Stormy Glenn ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifter, HEA] All Xias wanted to do was find a safe place for him and his cubs. With his alpha chasing after him, intent on taking one of his cubs and killing the others, racing through a blizzard in the middle of the night seemed like a good idea. He had no idea when he took shelter in a cave during a blizzard that he had found more than a place to rest. He'd found the one man determined to protect him and his cubs. Zhuang wasn't on the run exactly, but avoiding his father's demand that he start his own clan sent him into the mountains where he couldn't be reached. When he takes shelter in a cave during a snow storm, he finds his mate and a whole lot more. He also discovers that protecting his mate means changing his entire way of life. But even going to the shifter council won't keep them safe because the alpha who is after Xias is determined to have him, even if he has to kill everyone standing in his way. Zhuang's only hope in saving his new family is in becoming the alpha his father always wanted him to be.

MY CAPTIVE. MY MATE. MY PRIZE. I didn't order the capture of the beautiful American she-wolf. I didn't buy her from the traffickers. I didn't even plan to claim her. But no male shifter could have withstood the test of a full moon and a locked room with Sedona, naked and shackled to the bed. I lost control, not only claiming her, but also marking her, and leaving her pregnant with my wolfpup. I won't keep her prisoner, as much as I'd like to. I allow her to escape to the safety of her brother's pack. But once marked, no she-wolf is ever really free. I will follow her to the ends of the Earth, if I must. Sedona belongs to me. Publisher's Note: Alpha's Prize is a stand-alone book in the Bad Boy Alphas series. HEA guaranteed, no cheating. This book contains a hot, demanding alpha wolf with a penchant for protecting and dominating his female. If such material offends you, do not buy this book.

One dark night. One fatal turn. A wild passion hotter than anything she's ever known. College freshman, Neve Dalton is about to crash head on into something that will turn her world upside down. On her way to school, Neve hopes a fresh, new start will put the pain of losing her parents behind her. But a fatal accident on a lonely highway puts her in the path of dark, dangerous Alpha wolf, Tucker McGraw. With a single touch and a flash of silver in his eyes, Tucker stirs a passion in Neve that leaves her shaken and begging for more. This Alpha's mark runs deep and triggers a hunger in Neve she can't explain. The minute he lays eyes on Neve, Tucker knows she's his fated mate. The trouble is, a rival pack wants her dead for what happened on that rain-slick highway. But, Tucker didn't become Alpha on his drop dead sexy looks alone. He's fierce, ruthless and deadly. He'll do anything to claim and protect Neve even if it means fighting the battle of his life. Dear Readers: This is part one of a five part paranormal werewolf shifter romance serial. Three decades ago, the charismatic Howard York built the empire of his dreams: the Hotel Alpha. It was once the finest in London, but over the years, as the world around it has moved on at an ever more dizzying rate, the hotel has struggled to keep pace. Graham, the Alpha's concierge, has been behind the front desk since the day the hotel opened and has witnessed every stage of its history. Chaz, Howard's blind adopted son, has almost never ventured outside its walls. Both of them view the Alpha as their sanctuary, the place that gives them everything they need. But both of them must now accept that the Alpha no longer offers them the life they most want, and that Howard's vision has been built on secrets as well as dreams ...

From renowned social research experts Mark McCrindle and Ashley Fell come the insights and answers we need to help our switched-on, 21st-century kids thrive. Generation Alpha are the most globally connected generation of children ever. Covering those born between 2010 and 2024, these kids are living through an era of rapid change and a barrage of information - good, bad and fake. For parents, teachers and leaders of Generation Alpha looking for guidance on how to raise their children, worried if their kids are spending too much time on screens, concerned how global trends are impacting them and wondering how to prepare them for a world where they will live longer and work later, this is the book you need. McCrindle and Fell have interviewed thousands of children, parents, teachers, business leaders, marketers and health professionals to deliver parents and educators everything they need to know about Generation Alpha, the term Mark coined, including: * Understanding and empowering this generation * The significance of technology * How to get education right for them * The future of work * Their consumer habits and their role as influencers * Where and how this generation will live as adults * The importance of mental and physical wellbeing * What their future looks like Through meticulous research and interviews, Generation Alpha shows us what we all need to know to help this group of children shape their future ... and ours.

Maximilian Tundra is about to have an existential crisis of cosmic proportions. When a physical duplicate of him appears in his living room, wearing a tight-fitting silver lamé unitard and speaking with an English accent, Max knows something bad is about to happen. Bad doesn't cover it. Max discovers he's the only human being who can prevent the end of the world, and not just on his planet! In the multiverse, infinite Earths will be destroyed. Personally, Max thinks the multiverse is in big trouble, because he can't even keep his toenails clipped on the regular, let alone stop the apocalypse. His only "allies" are a race of manic pixie aliens and dozens of other versions of himself; and let's face it, both groups are annoying as heck! From award-winning author Mark A. Rayner, Alpha Max is a silly and serious spoof of the science fiction and superhero movie trope of multiple realities. Fans of the humorous science fiction of Douglas Adams and the black humor and satire of Kurt Vonnegut will love this dark comedy that will make you think as well as laugh.

Do Men and Women Experience Love Differently? Mark van Stratum is a modern day Charles Bukowski, moving through life with a coterie of women in tow and a whirlwind of drama surrounding his every move. Heartbroken and depressed after the love of his life devastated him by cheating shortly after their son was born, van Stratum goes on a no-holds-barred rampage through the women and capitals of Western Europe. As the truth emerges from their shattered marriage, everything is thrown into question, including whether his son is actually from his seed. Alpha Seed, Beta Need is a love story like no other, alternating between jaw-dropping romantic interludes and deep psychological analysis into the nature of love.

This book covers what every person who wants to lead in the construction business needs to know. The author, himself a recognized leader in the field, draws upon his own vast experience to develop the concept of the α Alpha Dog; or a genuine leader not afraid to take risks and able to move the industry forward. Among many other topics, the book covers: excuses for not stepping forward as a leader; the need for self-knowledge; a leader's true role; managing policy, structure, talent, and problems; motivating and mentoring others; and key words to live by.
