Perfect, actually. He still has the charm, he's in great shape, and he still reduces his wife, Ava, to a pool of desire with a mere look. He's in full control, just how he likes it. But Jesse's perfect world falls apart when a terrible accident lands Ava in the hospital with a life-threatening head injury.

Romance Triggers:  
Kidnapping I purchased  
this book and used my  
personal copy for my  
review. This is a book  
that will leave you  
breathless, feel emotions  
that Jesse normally  
hides and see a side of  
Jesse and Ava's  
relationship that  
normally you just don't  
get. Jesse and Ava are
