On 25 May 1944, 800 men of the 500th SS Parachute Battalion descended on Drvar, a town behind enemy lines in north-western Bosnia. Their aim was to kill or capture Tito, the leader of the partisan movement in the region. The plan was to land the battalion by glider and parachute in two waves which would be relieved the next day by a ground assault. Tito knew an attack was imminent but dismissed the idea of an airborne assault. The attempt to eliminate Tito was a colossal failure. The elite battalion had been decimated, with only 200 men fit for duty the next day. Inter-agency rivalry between the Abwehr and the SS had meant that intelligence was not shared, a problem exacerbated by a failure to exploit HUMINT about Tito's precise location and the adoption of a plan that did not take into account these intelligence limitations.

Though the world's wisest king, Solomon's heart was led astray by temptations of wealth, sex, and power. And we face the same dangers today, though the temptations may be different in degree and detail. Author Philip Ryken writes, "In witnessing Solomon's moral triumphs and sinful failures we learn how to live more wisely. By the grace of God, we may avoid a tragic downfall of our own and learn how to use money, sex, and power for the glory of God." Tracing Solomon's life from coronation to burial—and from godly devotion to self-serving excess—Ryken shows readers how to avoid similar downfalls and seek God's glory amid earthly temptations. These thirteen chapters are pastoral, rich in application, and biblically faithful. This overview of Solomon's life also includes a study guide, making it a great resource for both personal and group use.

Everyone working in and with organizations will, from time to time, experience frustrations and problems when trying to accomplish tasks that are a required part of their role. This is an unusual routine - a recurrent interaction pattern in which someone encounters a problem when trying to accomplish normal activities by following standard organizational procedures and then becomes enmeshed in wasteful and even harmful subroutines while trying to resolve the initial problem. They are unusual because they are not intended or beneficial, and because they are generally pervasive but individually

infrequent. They are routines because they become systematic as well as embedded in ordinary functions. Using a wide range of case studies and interdisciplinary research, this book provides researchers and practitioners with a new vocabulary for identifying, understanding, and dealing with this pervasive organizational phenomenon, in order to improve worker and customer satisfaction as well as organizational performance.

Space Doodle Coloring Activity & Doodle Book For Girls. Features full pages of planets, astronauts, spaceships, aliens, meteors, rockets, moon, stars just waiting to be colored and drawn! Bonus Mission Completion Certificate on the back to cut out when book is finished! This space-themed coloring book features: Large 8 1/2 x 11 inch pages Single Sided Coloring Pages (The backs of each page have simple space designs to allow for coloring without bleed through.)High-resolution printing Makes the perfect holiday ( Christmas, birthday, Easter ) gift for any space loving girl!

Lesley lives in Canada and thinks life is just great, she has got friends, she likes school and they are very comfortably off. But then her father makes a fateful decision, the whole family is going to emigrate to Israel and lead a more fully Jewish life. Lesley is horrified and very resistant. However, once she gets to her new country and a very different life, she begins to find it stimulating and enjoyable. A strange relationship with Palestinian boy Mustafa, who lives on the other side of the Jordan river, is a big part of the new Lesley. A very exciting book, set in the 1960s about life in a pioneering new country.

With cute Astronauts, Space Ships, Rockets and Planets this fantastic outer space coloring book is perfect for any creative kid who loves to learn, color and draw! Why You Will Love this Book Relaxing Coloring Pages. Every page you color will pull you into a relaxing world where your responsibilities will seem to fade away... 45+ individual high quality designs single-sided, with a variety of Astronauts, Space Ships, Rockets, Planets, Meteors, Aliens, Rockets, Sun, Moon, Stars, some of them with detailed backgrounds. It's a great non-screen activity to stimulate a child's creativity and imagination. They can learn about the Universe while coloring Beautiful Illustrations. We've included 40 unique images for you to express your creativity and make masterpieces. Which colors will you choose for this book? Single-sided Pages. Every image is placed on its own black-backed page to reduce the bleed-through problem found in other coloring books. Great for All Skill Levels. You can color every page however you want and there is no wrong way to color (even if you are a beginner). Makes a Wonderful Gift. Know someone who loves to color? Make them smile by getting them a copy too. You could even color together! So, if your kids love outer space and enjoy coloring, this book is for them!

This beautiful planner will help you get organized and stay organized in 2020! Each monthly spread (January 2020 through December 2020) contains an overview of the month and a notes section. The minimalist weekly spreads are for those of you who love a horizontal layout. Grab your favorite planning pens and wonderful washi tape and get organized! 2020 calendar at a glance 2 page spread for each month, January to December Weekly layout is horizontal Simple layout to leave space for your favorite stickers, tape and fun planning essential To-do lists section at the back for your master to-do lists or ongoing brain dumps Get organized in 2020, or help those around you to have a "more calm, less stress" kind of 2020 by giving this planner as gifts to the teachers, planner girls, and slightly overwhelmed people in your family, friend, and coworker circles.

The scores, parts and MASTER TRACKS Alain Caron's CD Rhythm'n Jazz. The play-along CD contains the exact tracks that appear on Alain's album -- minus the bass -- so you can play with these great musicians. Songs include: The Bump \* Fat Cat \* District 6 \* Slam the Clown \* Little Miss Match \* I.C.U. \* Cherokee Drive \* Fight of the Bumble Bee \* Donna Lee \* Intuitions.
