User Guide - Sony

Where To Download Vaio Guide

VAIO User Guide Each VAIO PC comes with a user guide that is specific to the model the user purchased. The user guide is extremely beneficial to access information about the user's PC such as what type of memory the PC uses, how to swap out a secondary battery, and information about any special software that is bundled with the model. VAIO Care has the ability to deliver new versions of the user guide per model to users over the internet and users can query Sony's servers for new versions of ...
